

## **Definition of a Disciple**

At West Valley Church, we define a disciple as a passionate follower of Christ who is saved and compelled by grace to:

- Love God with all their heart, soul, mind, and strength
- Love and serve others sacrificially
- And seek opportunities to explain their faith

By knowing God's word a disciple strives to:

- Grow in the likeness of Christ
- Recognize and obey God's direction
- And be mentored and mentor others

## **Prayer of Consecration**

Lord, we come before you as your disciples. We are thankful and humbled that you would CALL us and desire to use us in sharing your message of hope and redemption. We have tasted of your grace, and HUNGER for more of you in our lives. We give control of our lives back to you so that we may be READY for the great opportunities that will be revealed through your Holy Spirit. Lord, thank you for showing us how to be your followers through your death on a cross. We pray for the courage to DIE to all of our wants and desires so that the world may know you. Amen.
